Branch Special Project Grant Policies

1. Branch Special Project Grants are for a maximum of \$1000. Branches may apply for one grant per fiscal year, and may not apply for the same grant more than once.
2. The Board will determine the amount of funding awarded for each individual grant. Due to fiscal constraints, Arizona AAUW has dedicated a total of \$5000 per fiscal year for Branch Special Project Grants.

3. Applications must be submitted to the Branch Special Project Chair no later than two weeks prior to an Arizona AAUW Board of Directors meeting, to be considered at the upcoming Board meeting. Meetings are held the third Wednesday in July, September, November, January and March. No applications are considered at the May meeting. The application is on pages 3-4 of this document.
4. A member from the branch must be present at the Board meeting (on Zoom or in person) to present the proposal and answer questions.
5. The Arizona AAUW Board of Directors will evaluate submitted proposals according to the approved criteria and recommend acceptance or rejection.
6. Payment is reimbursed by Arizona AAUW to the branch upon successful completion of a final report, due no later than June 1 of the current fiscal year. The final report is on pages 5-6 of this document.
